Self-Reporting Category Suggestions for 2010 Green Schools Summit Sessions

**To help make self-reporting easier, USGBC Colorado has compiled the following Category Suggestions for reporting CE hrs at the 2010 Green Schools Summit. Suggestions are based on session descriptions and may differ from actual session content. Please use your best judgment when reporting CE hrs under specific categories – these are recommendations only. Each session is approved for 1.0 CE hours (general, not LEED specific). The pre-conference workshop is approved for 4 CE hours. For the complete list of Categories accepted for CE hours, please see Appendix A in GBCI's Credential Maintenance Program Guide.*

Green Schools Panel Discussion

- **LEED GA:** *Synergistic Opportunities and LEED Application Process (Standards that support LEED Credit)*
- **LEED AP O&M:** *Project Systems and Energy Impacts (Energy performance policies)*
- **LEED AP BD&C:** *Project Systems and Energy Impacts (Energy performance policies)*
- **LEED AP ID&C:** *Project Systems and Energy Impacts (Energy performance policies)*
- **LEED AP Homes:** *Project Systems and Energy Impacts (Energy performance policies)*

The Best of BEST/GEO K-12 Program Update

- **LEED GA:** *Synergistic Opportunities and LEED Application Process (Green Resources)*
- **LEED AP O&M:** *Project Systems and Energy Impacts (Energy performance policies)*
- **LEED AP BD&C:** *Project Systems and Energy Impacts (Energy performance policies)*
- **LEED AP ID&C:** *Project Systems and Energy Impacts (Energy performance policies)*
- **LEED AP Homes:** *Project Systems and Energy Impacts (Energy performance policies)*

Design Track Sessions

1. The Road to a Green School District: 10 Stops Along the Way

- **LEED GA:** *Synergistic Opportunities and LEED Application Process (Green Resources)*
- **LEED AP O&M:** *Stakeholder Involvement in Innovation (Ways to Earn Credit)*
- **LEED AP BD&C:** *Stakeholder Involvement in Innovation (Ways to Earn Credit)*
- **LEED AP ID&C:** *Stakeholder Involvement in Innovation (Ways to Earn Credit)*
- **LEED AP Homes:** *Stakeholder Involvement in Innovation (Ways to Earn Credit)*

2. Daylight Retro-fitting for Existing Schools

- **LEED GA:** *Synergistic Opportunities and LEED Application Process (Strategies to Achieve Credit)*
- **LEED AP O&M:** *Improvements to the Indoor Environment (Lighting Controls)*
- **LEED AP BD&C:** *Improvements to the Indoor Environment (Lighting Controls)*
- **LEED AP ID&C:** *Improvements to the Indoor Environment (Lighting Controls)*
- **LEED AP Homes:** *Improvements to the Indoor Environment (Lighting Controls)*

3. A Tale of Two Schools

- **LEED GA:** *Synergistic Opportunities and LEED Application Process (Standards that support LEED credit)*
- **LEED AP O&M:** *Project Systems and Energy Impacts (Energy performance policies)*
- **LEED AP BD&C:** *Project Systems and Energy Impacts (Energy performance policies)*
- **LEED AP ID&C:** *Project Systems and Energy Impacts (Energy performance policies)*
- **LEED AP Homes:** *Project Systems and Energy Impacts (Energy performance policies)*

O+M Track Sessions

1. Making Power Purchase Agreements Work for Your School

- **LEED GA:** *Project Systems and Energy Impacts (Green Power)*
- **LEED AP O&M:** *Project Systems and Energy Impacts (On-site renewable energy)*
- **LEED AP BD&C:** *Project Systems and Energy Impacts (On-site renewable energy)*
- **LEED AP ID&C:** *Project Systems and Energy Impacts (On-site renewable energy)*
- **LEED AP Homes:** *Project Systems and Energy Impacts (On-site renewable energy)*

2. Beyond Design and Construction: Greening Your School through Sustainable O+M

- **LEED GA:** *Stakeholder Involvement in Innovation (Durability Planning and Management)*
- **LEED AP O&M:** *Project Site Factors (Green management)*
- **LEED AP BD&C:** *Improvements to the Indoor Environment (Types of Building Spaces)*
- **LEED AP ID&C:** *Improvements to the Indoor Environment (Indoor/Outdoor Chemical and Pollutant Control)*
- **LEED AP Homes:** *Improvements to the Indoor Environment (Indoor/Outdoor Chemical and Pollutant Control)*

3. Composting with Kids: Importance of Reconnecting with our Soil

- **LEED GA:** *Synergistic Opportunities and LEED Application Process (Green resources)*
- **LEED AP O&M:** *Acquisition, Installation, and Management of Project Materials (Food Materials)*
- **LEED AP BD&C:** *Stakeholder Involvement in Innovation (Education of a Building Manager)*
- **LEED AP ID&C:** *Stakeholder Involvement in Innovation (Education of a Building Manager)*
- **LEED AP Homes:** *Stakeholder Involvement in Innovation (Education of a Building Manager)*

Curriculum Track Sessions

1. Educating for Sustainability: The Denver Green School Story

- **LEED GA:** *Stakeholder Involvement in Innovation (Innovative and Regional Design)*
- **LEED AP O&M:** *Stakeholder Involvement in Innovation (Innovative and Regional Design)*
- **LEED AP BD&C:** *Improvements to the Indoor Environment (Types of Building Spaces)*
- **LEED AP ID&C:** *Stakeholder Involvement in Innovation (Education of the Tenant)*
- **LEED AP Homes:** *Stakeholder Involvement in Innovation (Education of the Tenant)*

2. Green Schools Legislation for Colorado: A Roundtable Discussion with Policymakers, Practitioners, and Advocates

- **LEED GA:** *Synergistic Opportunities and LEED application process (Standards that support LEED Credit)*
- **LEED AP O&M:** *Project Surroundings and Public Outreach (Government Planning Agencies)*
- **LEED AP BD&C:** *Project Surroundings and Public Outreach (Government Planning Agencies)*
- **LEED AP ID&C:** *Project Systems and Energy Impacts (Energy Performance Policies)*
- **LEED AP Homes:** *Project Surroundings and Public Outreach (Government Planning Agencies)*

3. 20 Ways Creative Design Can Make Your Students Smarter

- **LEED GA:** *Stakeholder Involvement in Innovation (Innovative and Regional Design)*
- **LEED AP O&M:** *Improvements to the Indoor Environment (Types of Building Spaces)*
- **LEED AP BD&C:** *Improvements to the Indoor Environment (Types of Building Spaces)*
- **LEED AP ID&C:** *Stakeholder Involvement in Innovation (Education of the Tenant)*
- **LEED AP Homes:** *Stakeholder Involvement in Innovation (Education of the Tenant)*
