## Living Built Environments Charrette

This interactive, interdisciplinary workshop will focus on finding ways to go beyond current practices in green building in order to promote healthy living ecosystems, societies, and economies in Colorado's unique eco-region. The goal of the charrette is to leverage the perspectives of local sustainability experts and built environment professionals to produce specific guidelines for creating living built environments in Colorado.

### Event Information:

**Friday, September 5<sup>th</sup> 2008**

**8:00 am – 5:30 pm**

### **Sylvan Dale Guest Ranch**

2939 N. County Road 31D, Loveland, CO  
Driving Directions and Map [Here](#)

A carpool group has been created for this event at [eRideShare.com](http://eRideShare.com). If interested in joining the group, contact Stephanie Hodgin for more details.

This charrette is being planned and conducted by the Living Built Environments Initiative:

- Brian Dunbar
- Josie Plaut
- Greg Fisher
- Sandy Hicks
- ML Robles
- Stephanie Hodgin
- April Wackerman
- Dana Villeneuve

**RSVP is REQUIRED**

**by August 29, 2008**

Contact Stephanie Hodgin at [shodgin@gmail.com](mailto:shodgin@gmail.com) or

(303) 319-0558.

Attendance will be limited to 60 participants.

To make the most of this opportunity, participants will be expected to attend the duration of the charrette, limit outside distractions during the day, and prepare for the event by reviewing the provided reading materials.

There is no cost to participate. Expenses have been covered by our generous sponsors:

*Institute for the  
Built Environment*  
**Colorado  
State**
