*The Green Building Community*

SOUTHERN COLORADO BRANCH

## JULY EVENT

*At our New Location - The Warehouse*

### Demystifying GBCI's Credential Maintenance Program

Come join us for an in depth and detailed description of all the new CMP requirements. Learn the many avenues available to you for obtaining credit hours, how to document and categorize them, and how submit your hours to GBCI. Come learn how USGBC CO can be a tool to help you maintain your LEED AP status and stay current on green building industry topics.

Jessica Pascoe, the Director of Education for the U.S. Green Building Council Colorado Chapter, will lead this informative presentation and discussion.

All members of USGBC are encouraged to attend  
FREE to all USGBC Colorado Members. Non-members \$15.

**RSVP for the program at <http://www.usgbccolorado.org/registration/>**
